- \* Students are encouraged to select courses from subjects that are **outside** their program of study.
- \* Note the **program restrictions on each complementary course** listed in the schedule of classes.
- \* All programs, except Liberal Arts, require students to take two courses totalling four credits, from **two different ensembles** within the **Domains**.
- \* Each ensemble has a different competency.
- \* It is possible to take **two** of the **same ensembles** as long as they are from **two different Domains**.

**Example 1:** A Social Science student can select "Introduction to Computers" (Ensemble 1) in the **Science Domain** and "Intro to Programming" (Ensemble 2) in the **Science Domain** as they are in **two different ensembles**.

**Example 2:** A Social Science student can select "Introduction to Computers" (Ensemble 1) in the **Science Domain** and "Spanish I" (Ensemble 1) in the **Modern Language** as they are from different Domains.
